Congratulations and many thanks to our esteemed Senator Joan Carter Conway, Delegate Nathaniel T. Oaks and Delegate Sheila E. Hixson for sponsoring the *Oral Health Education - Certification & Monitoring* legislation. We also appreciate the time everyone gave to testify and to provide recommendations on how to best collaborate and advance SB 867/HB1401. Both bills have now passed and we eagerly await the signature of Governor O'Malley! Please take time to read about the efforts to move this legislation forward in the attached press release.

Thank you again,
